Notes

- The day of activation is the first day of the minimum contract period.
- Monthly subscription charges are prorated in the month of activation, are charged in advance and will be charged a full billing month on deactivation regardless of what date in the month the service is deactivated.
- The full month charge/allowance will only apply if activated at the start of a billing period.
- If an activation is made in the middle of a billing month both the subscription fee and allowance are prorated.
- A service can be upgraded at any time or in line with the next billing period. A new minimum period will apply once upgraded. For mid-month upgrades, the initial package will remain chargeable and the new subscription and allowance will be prorated.
- All monthly subscriptions will be billed during periods of suspension.
- The Iridium GO! can be used with either a Standard or a Crewcalling SIM.
- The GO! service pricing is restricted to the IMEI range of the GO! devices. Any other Iridium devices (e.g. 9555, 9575) can technically use a GO! plan, however, if they are not in the specified IMEI range then calls using the Iridium – Direct Internet GO! call destination will be charged at the
 - * Bundled voice minutes include Iridium to fixed, Iridium to Iridium and Voicemail only.
- **2-Stage Dialling** - This service avoids high direct PSTN charges to the Iridium phone and offers a lower cost to the Iridium user. The caller first dials +1 480 768 2500 and follows the voice prompts to connect to the Iridium phone. The caller pays for this standard international rate call. The Iridium account holder pays for the satellite portion at a cost as stated above.

Section 4: Monitor/Suspend

- AST offers 5 monitoring alerts **per period** with an option to suspend. (period = billing period, monthly)
- This service is offered to assist with usage control, however, if because of system failure or any other reason outside of our control a report is not generated, all usage will be invoiced and due for payment as per clause 3 of our Terms and Conditions.
- We recommend that a suspension limit is set to stop further usage once the service reaches the set limit in any given period; \$2,000 has been set as a default please amend as appropriate.
- Spend \$US alerts are triggered once the entire monthly bundle has been consumed. CDR's within bundle are zero rated.

In the case that automatic suspension of the service takes place, please contact AST to have the service unsuspended - It will NOT automatically unsuspend at the start of the next period.

US\$ monitoring/suspend is based on billable CDR's received from Iridium daily (the CDR's could be up to 24-hours in arrears).

Alert Levels - Up to five notification alerts can be set per period:

- 1 Spend \$US _____
- 2 Spend \$US _____
- 3 Spend \$US _____
- 4 Spend \$US _____
- 5 Spend \$US _____

Suspend Options – If any of the suspension limits are reach the SIM card is suspended.
